RUFC Advertisement Sponsor

Thank you for showing an interest in purchasing an advertisement board to be displayed around our ground at Green Lane, Rocklands.

We are a very forward thinking club. We have made major changes to our ground and one of these improvements has been to fix posts and rails around our pitch, with the intension of company sponsorship boards to fill the spaces.

The costs of the boards have been kept as low as possible to attract as many sponsors as possible. These costs are listed on the following page. If you agree to purchase a board, and we hope you do, all we ask is for you to email your company's design with the size of the board required to the email address given on the following page. A club representative will ask you to fill in the simple form for club records and for your company's records.

All sponsorship is tax deductible and can be put against your company's accounts.

If possible we would also like a company representative to be available, at your leisure, for a photograph at the ground with your board. This can be displayed in our Clubhouse with your company's contact details.

We believe as a Club we are moving forward in a very positive way and would be delighted if your company could purchase a board to help us achieve our goals.

Yours sincerely,

Sam Mouser
